

Our menu is based on the *NSW Munch and Move Initiative* that support the healthy development of children birth to 5 years.

We offer water to children with all meals as the drink of choice. We also offer milk at morning and afternoon tea.

All Children with allergies are catered for. They will be served the same menu meals with the use of alternative ingredients to suit their dietary requirements. Recipes in our menu which contain honey, it will be substituted for an alternative ingredient.

All meal are prepared on site from fresh ingredients. All recipes used for our menu can be accessed by all parents.

We strive to assist in the achievement of daily recommended nutrition servings for children every day.
